FINAL TERM EXAMINATIONS OF ALL PROGRAMMES

The final term examinations of all programmes except B.S.Ed II & III Profs were being conducted from 11-06-2012 to 21-06-2012. The students of B.S.Ed II & III Profs, in addition to class tests, took regular classes to complete their remaining courses for the annual university examination.

3rd CONTACTS OF PROFESSIONAL PRACTICE

The 3rd and final Professional Practice experience/phase of B.Ed is a minimum of 45 days in the assigned schools of ICT. During this time period, the prospective teachers assume more of the functions and duties of regular classroom teachers. By the end of this period they are able to conduct the whole setup of experiences and theories they acquire in FCE. This year students of M.A Education (Final) and B.Ed observed a successful teaching practice in the schools allotted by Federal Directorate of Education Islamabad. The teaching faculty of respective subjects from FCE visited the assigned schools regularly to observe/check the lessons planned and lessons delivered by prospective teachers. The three stakeholders i.e. FCE, FDE and family schools showed their full satisfaction on the successful completion of this important phase of teaching.

NEW JOININGS

It is good augury that after a long time three lecturers namely Ms.Kaukab, Mr.Khadim Hussain and Mr. Ghulam Murtaza in the subjects of Organic Chemistry, Physics and In-organic Chemistry respectively joined FCE after being recommended by Federal Public Service Commission. The existing faculty of FCE is glad to receive the new young faculty members. Their joining will no doubt improve the teaching facilities at FCE through their regular and sincere inputs.
THE VIVA VOCE EXAMINATIONS OF B.S.ED 3RD PROFESSIONALS

The viva voce of thesis examination of B.S.Ed 3rd professionals was held on 03-05-2012 and 04-05-2012 in FCE. Examiners from IER University of the Punjab conducted the viva examination. The examiners were impressed by the research work of students and supervisors.

AWARD OF SCHOLARSHIPS OF CIDA PROJECT

Need for providing financial support to the candidates of B.Ed and B.S.Ed final Profs is acute to high training cost involved. The professional grooming continues to expand; the demand for professionally qualified teachers would persist in future. In this regard, scholarship of Rs: 3000 per month was provided to both male and female students of B.Ed and B.S.Ed final class. This year (2011-2012) 126 students of B.Ed (Morning & Evening shifts) and 43 students of B.S.Ed final were awarded this scholarship. The Director Federal College of Education Ms. Rashada Fatima distributed the scholarships.

PHYSICAL STRENGTHENING OF FCE UNDER CIDA PROJECT

There is provision of strengthening the teacher training institutions under CIDA Project. The training capacity of FCE is impaired due to insufficient financial allocations for upgrading existing facilities. To enable the college functions effectively a handsome amount had been allocated. In this respect FCE has floated tenders at PEPRA website and print media. An amount of Rs: 2.5 million is expected to be incurred on this purchase. This will help to furnish the newly constructed hostel of FCE and it would become fully operational. Other articles would help the security system of FCE and educational facilities would be enhanced and strengthened.

MODEL LESSONS OF B.S.Ed I & II PROFESSIONALS

The model lessons of B.S.Ed I & II Professionals were conducted from 16-04-2012 to 26-04-2012 in IMCG I-9/ I Islamabad and IMCB G-9/I Islamabad respectively. The students delivered excellent lectures / presentations on topics from Physics, Chemistry, Maths and Biology. The external examiner appointed by University of the Punjab appreciated students’ performance and declared the lectures/ presentations of many students were outstanding and they would be excellent future teachers.

TRAINING OF ELEMENTARY SCHOOLS TEACHERS & HEAD TEACHERS UNDER CIDA

There are a large number of elementary schools teachers in ICT (FDE) possessing academic qualifications however, lacked in professional qualifications described for elementary schools teachers. Obviously those elementary schools teachers who do not possess the required professional qualifications need intensive training in classroom teaching techniques in various subjects at elementary school level.
